

# The Good Life

La prima rivista ibrida business & lifestyle

## MEDIA KIT 2019

The Good Life is a magazine created by Laurent Blanc, publisher of the monthly IDEAT, the ultimate reference in the design and lifestyle universe in France.

The Good Life is the first magazine hybrid business & lifestyle.

Unlike the traditional male magazines, The Good Life provides a global picture of today's world. It covers every aspect of life: economy, business, sciences, technology, contemporary art, design, architecture, music, travels, fashion, cars and so many other men interests.

Each issue is designed to be kept and re-read for continuous inspiration.
